CHAIRMAN'S PREFACE

by PING YAU GILBERT YU

It has been my great pleasure to serve as the Chairman of the 2nd Hong Kong Cheung Chau Photographic Art (HKCCPA) International Salon of Photography.

First half of 2022 has been very difficult with Omicron COVID - 19 spreading at a rapid pace in Hong Kong. We were compelled to postpone the Salon with no choice. Amid the challenging situation, I am delighted that the Salon has successfully attracted photo enthusiasts from all over the world with more submissions than last year.

I would like to extend my heartiest congratulations to all the awardees. The overall qualities of the submissions are truly impressive. It is worth mentioning that the Grand Award (Best of the best Photographer) requires the entrant to participate in all 5 sections, with a minimum of 10 medals attained (at least 1 gold or 1 silver medal in each of the 5 sections) which is not easy. It is a clear reflection of the winner's all-rounded photography capabilities.

On behalf of the HKCCPA, I would like to extend my gratitude to our panel of conscientious judges for their time and professionalism in selecting the very best images from numerous entries. I must also thank our committee members and helpers for their dedication and devoted work. Special thanks to Mr. Au Yuen Yam (Founding President of HKCCPA), Ms. Mandy Ng, Mr. Tony Pang and Mr. Arnab Chakraborty (Fotosalons) for their help and advice, and Photo Top 10 and SIGMA for their generous sponsorship!

I wish to express my sincere thanks to PSA, FIAP and GPU for their support as recognition partners and for their confidence in this extra-territorial photo salon.

Last but not least, I wish to thank all the entrants for your patronage. The Salon would not be successful without your participation. Please keep up the spirit; we look forward to seeing your excellent work in our 2023 contest.

GLOBAL PHOTOGRAPHIC UNION - GPU (former UPI)

is a worldwide interactive organization for anyone interested in photography, be they casual, serious amateurs or professional photographers.

Founded in Goirle, The Netherlands, September 2007, GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, Photo festivals, distinctions, titles, and a raft of other activities.
